

Information Meeting Dates and Times for Interested Families

If you are interested in learning more information about our Parent Partnership Program, then come join us at one of our information meetings. Information will be shared on what is a “learning plan,” the difference in on-site and off-site classes, what is the commitment from the parent, how our program is funded, etc. Parents with children currently enrolled will also be available to answer questions from a parent’s point of view. Some of the classes offered this coming year include art, science, writing, Spanish, theatre, dance, and many others for grades K- 12. If you would like to view our class offerings before the meeting visit www.wingsnw.com/wings/oly/, click on “find a class”. These meetings are for those parents learning about the Partnership Program for the first time. If you have questions please call 596-7730.

The meetings will be held at Olympia Regional Learning Academy (former Roger’s Elementary), 2001 26th Ave NE, Olympia, Washington 98506.

Attendance at one of these meetings is required for enrollment.
