

## Destiny Library is now available to ORLA Families

Please visit the CRC to get access to your Curriculum Resource Center (CRC) materials online. A personal account login for each family will be created. Access to Destiny Library allows families to view resource information and most AVAILABLE materials from the CRC shelves.

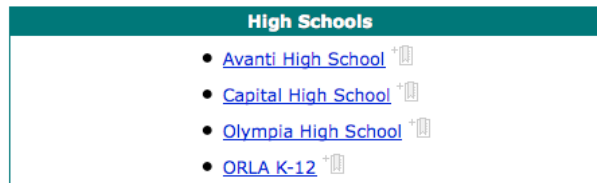

Some items marked "Reference" in the CRC may not be checked out, even though the system may indicate that it is AVAILABLE. We do not want you disappointed to think materials are available, only to arrive to check out and find out that they cannot leave the building.

### Please Note:

- ORLA CRC Staff can assist you in locating items, or browse on your own. CRC staff won't manage, or pull materials in advance. Families are responsible for locating and bringing to the checkout counter.
- Consider pre-printing your Destiny list from home. Then find and take to the CRC checkout counter.
